MEMORANDUM FOR: The Honorable Henry A. Kissinger
Special Assistant to the President for National
Security Affairs

SUBJECT : CIA Participation in Contingency Planning for
an Enemy Attack on Saigon

Our Vietnam Station is making an input to the overall US Mission response to the request levied in your 25 January 1969 memorandum reflecting the President's desire to see our contingency plans for reaction should infiltrators reportedly assembling for an attack on Saigon step up their activity within the next two weeks. In addition to participating in the preparation of the US Mission's overall response, our Station has also forwarded a copy of its own contingency plan reflecting how it will deploy our officers and assets in circumstances such as those postulated in your memorandum of 25 January. A memorandum outlining the Vietnam Station's contingency plan is attached hereto for your information.
